

Holiday pet food drive benefits Sam's Hope

For the fourth year in a row, Wiggles n Wags is partnering with local businesses to hold a local pet food and supply drive to benefit Sam's Hope, a nonprofit organization that strives to save the lives of companion animals by keeping them out of shelters and with their families.

Donations needed include: dogs – dry food, canned wet food, treats, collars, leashes, coats, sweaters, grooming supplies; cats – dry food, canned wet food, treats, toys and grooming supplies. Monetary donations are also appreciated.

Last year's drive was the most successful drive to date, with 896 pounds of pet food and supplies collected, along with supplies, toys, leashes, collars, coats, sweaters, treats, pet carriers, beds and more.

This year, collection boxes have been placed at Ark Animal Hospital, Chalfont; Ark Animal Hospital, Souderton; Burke's Garage and

Detail, Souderton; Central Veterinary Hospital, Chalfont; Chalfont Veterinary Clinic, Chalfont; Concord Pet Foods & Supplies, New Britain Village Square, Chalfont; North Penn Animal Hospital, Lansdale; and The Pinwheel Consignment Shop, Doylestown.

According to Sam's Hope, millions of dogs and cats are surrendered or abandoned each year in the United States due to their owners' inability to

continue to financially care for their pets. Sam's Hope achieves its mission of keeping pets and their people together by offering a pet food assistance program, veterinary care assistance program and meals for the pets of the homebound and elderly program.
