

GOOD NEWS FOR BROWNIE: This photo ran in the Local on Aug. 3. Alyssa Favano, 8, and Audrey Favano, 6, love Brownie very much, but they are separated from him for a while because of potentially fatal gas leaks in their Germantown home. We are happy to report that after our story ran, a Mt. Airy family volunteered to provide foster care for Brownie, according to Marianne laquinto, of Sam's Hope in Wyndmoor, who brought Brownie to our attention. More information at www.samshope.org
