

Sam's Hope – The Year in Review 2025

This year, your generosity kept families whole. By providing pet food and supplies as well as stepping in to help seniors with essential household needs and repairs, we protected the vital bond between pets and their people across our community.

Meals for the Pets of the Homebound & Elderly Program

We ensured that pets belonging to our homebound, elderly, and disabled neighbors in Bucks, Montgomery, and Philadelphia Counties received the nutrition they need. This year, we distributed **42,000 pounds** of essential food and supplies through:

- 1 - Meals on Wheels Program
- 5 - Senior Apartment Communities
- 4 - In-Home Support Programs
- In-home delivery to senior pet parents in need

CARES Fund Program

We extended a safety net to **17 senior citizens**, addressing critical life needs that go beyond standard pet care. By filling these unexpected gaps, we helped prevent housing instability and protected our seniors' independence. This vital work underscores our core mission: **Keeping Pets and Their People Together.**

Veterinary Care Assistance Program

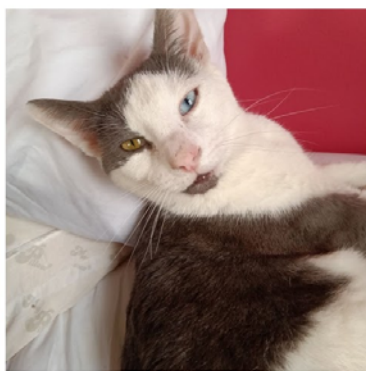

Awarded 57 Medical Grants to:

- 40 to Dogs
- 17 to Cats

Pet Food Assistance Program

Distributed 36,000 lbs. of Pet Food via:

- Food Pantries
- Pet Food Pantries
- Directly to Pet Parents in Need

Second Chances

While our primary goal is keeping pets in their original homes, we stepped in this year to ensure three special animals found the love they deserved:

- **Pearl:** When this 6-year-old cat was left at a local vet office, we knew we had to help. We found her perfect match right across the hall! Pearl was adopted by our office neighbor, Tiffany, and her family. (In collaboration with our friend and volunteer, **Rhonda Bock**).
- **Lilo & Bella:** We facilitated the rescue of Lilo (a Chihuahua/Schnauzer mix) and Bella (a Yorkie mix). Thanks to **Tiny Paws Rescue**, both have since been adopted into loving, forever homes.
